Print and Cut the 8 Sample Labels Above, then ...

1. Download the FREE BitRip Mobile App

(Search "BitRip" in the App Store (iPhone) or Google Play (Android), or just open using the icons below)

2. Scan over each sample label above using the mobile app, add/delete attachments, tap on all the buttons and explore the different tools!

3. For a more enhanced experience, create a login on the mobile app, then sign in at <https://pro.bitrip.com> on a laptop/desktop using the same username/password

(Desktop Pro is a free 30 day trial, no credit card required, and all data transfers seamlessly to the mobile app. In other words, you have nothing to lose by trying it out!)
